Dear Fort Lee High School Alumni,

Members of the Fort Lee community including several Fort Lee School District alumni have joined with corporate, civic, educational, and parent leaders of Fort Lee to create the Fort Lee Education Foundation. Its purpose is to raise funds for innovative programs, needed equipment and other projects for the students of Fort Lee. We plan to do this through both corporate and private fundraising as well as by organizing community wide fundraising events. This community-based effort was started in 2004 to provide the "extras" not available through tax dollars.

As fellow alumni and other interested citizens of Fort Lee, we are reaching out to you in the hopes you will donate to this most worthwhile cause. As you have probably read in the newspapers, all schools are under intense pressure to cut costs and programs. With the support of people like you who have benefited from the education you received in Fort Lee, we plan on keeping Fort Lee in the forefront of school systems in New Jersey.

Your donation is fully tax deductible since the Fort Lee Education Foundation (FLEF) is a 501 (c) (3) nonprofit, tax exempt organization. Please send your contribution together with the bottom of this letter to Fort Lee Education Foundation, 210 Whiteman Street, Fort Lee, NJ 07024.

Thank you very much for your support.

Sincerely,

Anthony Clores  
President
